COUNTY SUPERVISORS
Special Meeting

The Board of Supervisors held a special meeting Thursday afternoon, June 14, at one o'clock, for the purpose of taking up the matter of the purchase of United States Liberty Bonds, which had been laid over from the previous meeting on Monday.

After being legally advised by District Attorney Swart and after learning from County Treasurer P. P. Chamberlain the amount of money available for such purpose without disturbing any funds, it was moved by Brown, seconded by Hickey and unanimously carried on roll call that the county subscribe for $50,000 worth of bonds and that the purchase of the bonds be distributed among the seven banks of the county in proportion to their deposits.

Attorney Jas. Gordon of San Mateo, D. A. Raybould, secretary of the San Mateo Chamber of Commerce, and Attorney C. N. Kirkbride, also of San Mateo, were among those who addressed the board, urging the purchase of the bonds through the various banks of the county.

County Treasurer P. P. Chamberlain appeared before the board and requested that the old courthouse flag be appropriately draped and placed in either the supervisors' chambers or the Superior Court.

The matter was left in the hands of Mr. Chamberlain, on motion of MacBain seconded by Hickey, the understanding being that the flag would be placed in the supervisors' room.

Attorney Kirkbride addressed the board in behalf of the Y. M. C. A. and asked the members to consider an appropriation for the recreational building of the Y. M. C. A. for the army. The speaker recommended that one-half of the advertising fund of the county be turned over to the Red Cross and that 10 per cent of that amount be allowed for the Y. M. C. A. work.

Supervisor Hickey in a very eloquent address dwelt upon the work of the Red Cross in all the great crises that have arisen in the world since the association has been in existence and stated that a delegation of the Red Cross intended appearing before the board and asking for an appropriation.

Supervisors Brown, Francis, MacBain and Chairman Thompson all voiced their sentiments along the same lines that Supervisor Hickey had and pledged the support to both the Red Cross and the Y. M. C. A. when the money would be available.

Supervisor MacBain brought up the matter of publishing the names of those registered on June 5th for the army draft and after talks on the matter had been made by M. A. Green, A. P. Bellisle, County Clerk Nash, J. D. Hedge and others, it was finally decided that a charge of 20 cents an inch for nonpariel and 10 cents for ordinary print be made for the publication of the names.

On motion of Brown, seconded by MacBain, the former action of the board ordering the printing of the names on posters, was rescinded.

County Clerk Nash, on motion of MacBain, seconded by Brown, was directed to arrange for the publication of the names in all the papers of the county by townships.

District Attorney Swart presented the ordinance, which was adopted, on motion of MacBain seconded by Hickey, relative to the sale of fireworks in the county.

Upon the request of Supervisor Brown and on motion of Hickey seconded by MacBain, Surveyor Neuman was instructed to take care of a number of bad turns of the Poor Farm road in the Second Township.

County Surveyor Neuman reported that the Southern Pacific Railroad Company was desirous of constructing some additional tracks on their right of way at Visitacion Valley and to do so would necessitate the slight shifting of the Bay Shore road from its present course at that point. The company agreed to relocate the pavement in carrying out the work. On motion of Brown seconded by Hickey the surveyor was instructed to go over the ground and look after the matter.

District Attorney Swart presented a petition signed by C. Peter Regi and others asking for the abandonment of a certain unused road near Holy Cross cemetery. On motion of Hickey secopded by MacBain, the petition was accepted and the date of hearing protests in the matter set for July 2nd.

Roy H. Curran of Redwood City appeared before the board and presented plans and specifications for the Visitacion Valley Lighting District recently formed. A resolution approving the above plans and specificationse was adopted on motion of Hickey seconded by Brown.

On motion of MacBain, seconded by Brown, the request of Miss Anne Bell Bailey, county librarian, for an increase in the salary of the assistant in her office from $25 to $40 a month, was denied.

CITY OFFICIAL PAPER

The Daily Star that suspended last week after an eventful existence of just one year will be missed by many who enjoyed the breezy accounts of the news of Redwood City every day. Both the editors of the paper worked diligently to make it a success but the high cost of paper and the increased cost of production made it impossible for them to continue the journal. Then, too, the advertising support accorded it was not sufficient to keep it going. While the merchants gave it splendid encouragement by liberally patronizing its columns and while the citizens were liberal in subscribing for it, yet this was not enough to make the paper a paying enterprise. It takes money to conduct a daily paper and plenty of it. The time is not ripe for a daily paper in Redwood City but the day is approaching when such an enterprise will be profitable.

COOLNESS

There's nothing so cool as an oil stove for summer cooking. All the heat is concentrated on the cooking and not radiated about the kitchen.

Cooks everything any wood or coal range will cook, and cooks it better, because of the steady, evenly-distributed heat.

Use it all the year 'round—more convenient than a wood or coal stove, and more economical.

The long blue chimneys prevent all smoke and smell. In 1, 2, 3 and 4 burner sizes, with or without ovens. Also cabinet models. Ask your dealer today.

Mrs. William Wahl, who has been quite ill for the past year, was removed to the Redwood City hospital on Thursday where she is resting comfortably. E. A. Eaton, for the past five years the manager of the Loren Coburn properties here and elsewhere for Mr. Wiedemann, was found dead beneath his automobile close to the cemetery near here early Thursday, June 14. He had been dead for several hours before the body was discovered by a passerby. Eaton left on Wednesday at noon for San Francisco to transact some buisness and had expected to be home late that night. The theory is advanced that while returning he fell into a deep sleep and the machine in some way turned over. Mr Eaton was about 55 years and was well known throughout the state. He was an excellent business man, honest and well liked by all with whom he did business. He is survived by a wife and married daughter. The news of his death was a severe shock to the many friends of the deceased in Pescadero.

MAKE A $59,000 DISTRIBUTION

The twenty-seventh annual report of the San Mateo County Building and Loan Association just issued shows splendid progress of that well known financial institution which has become known as one of the solid money establishments of the peninsula. The year just closed has been an unusually prosperous one for the association. During the year there has been distributed to shareholders for matured shares the large amount of $59,200. Investors could find no better medium of investment than by subscribing for shares in this institution. Series of stock number ninety-nine are now open for subscription and may be had by applying to the secretary of the association at the office at 90 Broadway, Redwood City. Under the association's definite contract plan an easy method is afforded borrowers in paying off indebtedness to the concern which will cheerfully be explained by the secretary upon application. This association purchased Liberty Bonds to the amount of $5,000 which shows its patriotism.

SUIT TO COMPEL PURCHASE

Harry Wade Mahany, by his attorney, Joseph J. Bullock, on behalf of himself and the citizens of San Carlos and West Union school district has petitioned the superior court for a writ of mandamus against the board of trustees of West Union school district to compel them to purchase a certain school site which was selected at a district meeting of the electors of the district on February 24, 1917. Although instructed by the citizens and electors at a meeting called by the trustees for that purpose, they now refuse to accept or purchase the selected site or to build a school house thereon. The district voted a $15,000 bond to purchase a site and build a school house. Plans have been prepared and the money received from the bonds is lying idle in the county treasury. It is understood that the trustees are endeavoring to buy a site from Mrs. Kendall, the wife of one of the trustees. The matter is set for July 5.

TRUSTEES IN SESSION

Monday evening at the trustees meeting Trustee Tuchsen advanced a plan to considerably reduce the water rate to consumers. He stated that extensions which in the past eight or ten years had amounted to nearly $10,000 had been paid for by the water consumers for the benefit of the whole town. He felt that the rates should be set so that the return would cover all running expenses, and extensions and upkeep should be provided for in the tax levy and be cared for by the whole town.

Mr. Tuchsen argued that the city pays 12 1-2 cents per 1,000 gallons of water and retails it at 30 cents. There is 25 per cent waste in leakage and 25 per cent is used for public purposes in sprinkling, flushing sewers, watering trees and at fires. This still leaves a profit of about 100 per cent which amounts to about $1,000 a year. The nonconsumer gets the benefit from sprinkling and fire protection and pays nothing for it.

Other members were in favor of any reduction that could be safely made. As there was no definite plan worked out the matter was postponed for further investigation.

Contractor Chadbourne was at the meeting with contracts signed by all but two of the property owners on Broadway to repair the wearing surface of that street. The board ordered him to proceed with the work and instructed City Attorney Mansfield to commence proceedings to compel owners who have not signed up to have the work done.

Geo. H. Irving, accompanied by a number of property owners in Redwood Highlands, addressed the board on the drainage plan proposed for that part of the city. Because of the high cost and a desire to conserve resources for the many demands made by war conditions, they were not in favor of having the board go ahead at this time. The board voted to postpone action indefinitely.

Applications for renewals of permits to engage in the liquor business were granted without opposition to the following persons:

Class A—J. C. Barg, Larrouy Bros, Genochio Bros., M. Divita, V. Bernasque, L. Lewis, W. C. Johansen, P. Larrecou, F. A. Hackett, Charles Luscher, Frank Maloney, P. J. Foley, I .Allegrini, D. Digiovanni, Joe Roza, A. Nelson, A. J. Fromm.

Class B.—Eureka Restaurant, W. H. Warren, L. Deluchi, Paris Restaurant, Sequoia Grill.

Class C.—G. C. Plump, Stafford Brothers.

To warn people of the danger of fires the board ordered the distribution of the fire and gasoline storeage ordinances with this month's water bills.

Bids were ordered advertised for street sprinkling until January 1918.

Action in awarding a contract for the improvement of Sequoia street and Redwood avenue was deferred until next meeting.

A resolution was adopted declaring the intention of the board to order a sewer installed on Lincoln avenue from Fulton street westerly.

HIGH SCHOOL TEACHERS WED

Professor B. E. Meyers, the commercial teacher in the high school, was united in marriage to Miss Helen Wilkens, the English teacher in the same school, last Wednesday. The ceremony took place at the home of the bride in Bolinas, Marin county. Both young people are very popular in Redwood City.

CHOSEN TEACHER OF ENGLISH

Miss Catherine J. Boyle of San Francisco has been chosen as teacher of English in the Sequoia Union High School. She prepared for college at the Lux School, and has taken both A. B. and A. M. degrees at Berkeley, specializing in English and relative subjects. She comes unusually well recommended by those under whom she did work at the state university. Then she has plenty of good health and bodily vigor, something very necessary in this rather trying position. We have no doubt she will keep up the high standard of this department.

WAR TIME ECONOMY

Extravagance in Dress is unpardonable. Save your Garments by sending them to the Cleaners to have them renovated or renewed by Dyeing.

The F. THOMAS Parisian
Dyeing and Cleaning Works

will endeavor to operate its plant so economically and efficiently that it shall be some factor in the economic welfare of the community and that it may be a practical aid in the conservation of the resources of the country.

This we are doing now in the face of the greatest obstacles we ever encountered. The enormous advance in the price of every single article used in our business is being offset by the ever-increasing volume of business and the continual watchfulness of the management enable us keeping our prices at rock bottom without sacrificing the quality of work.

We are prolonging the wearing life of garments, which will enable you to purchase Liberty Bonds and otherwise conserve the interests of the community.

Send us that suit you like so well to be cleaned or re-dyed.
